Place an "X" in the column(s) labeled "Not Technically Feasible" and/or "Not Economically Feasible" where appropriate. Use the "Reasons" column to describe why the potential alternative is not feasible.

Potential Alternatives	Not Technically Feasible	Not Economically Feasible	Reasons
Pest resistant packaging	Х		Not for commodity disinfestation, only good for protecting processed product, not for bulk stored commodity.
Pesticides of low volitility	×		Not for commodity disinfestation of field pests, only good for protecting against reinfestation, none registered for walnuts in California.
Physical removal/cleaning	х	•	Technology to detect internal field pests does not exist for walnuts, not suitable for treatment of incoming product.
